SANITIZE YOUR YACHT WITH RMP MARINE

Sanitising and Anti-Bacterial range

www.rmpmarine.com

Working in conjunction with our chemical suppliers and adapting some of our existing products, we are pleased to be able to bring a complete certified sanitization range of aerosols to the market to assist in the stopping of bacteria and viruses. Like everyone - all across the World, we are having to make changes to our daily lives, this includes regular sanitizing of hands, cleaning of work environments and shared rooms, cleaning of doors and handles as well as transport cleaning for modes of transport regularly carry passengers including private cars, charter companies and tenders. RMP Marine have strived to make this new routine as hassle free as possible at an affordable price.

To eliminate plastic disposal and waste, RMP products are supplied in refillable, reusable aluminium bottles. 5L and 25L containers are to be used to refill the 1L and 500ml alloy bottles. The 5L and 25L containers to be refilled. Thank you.

Asia Superyacht Development (ASD) reserves the right to update its catalogue price list without prior notice. For special orders, do consult us.

Product	Image	Pack Size	SG\$ Price	Description & Application
